PKG 101 - A Parking Guide for Adjunct Faculty

What You Need to Know Before Coming to Campus

• Anyone who parks on the main campus between the hours of 7 AM and 4 PM (with the exception of gated lots), must have a parking permit.

• You can park in any gated lot (Lot 8, Lot 2, and the bottom of the Admin Drive Garage) after 3:30 PM with no permit necessary.

• If you are parking after 4:00 PM, you can park in any legal space without a permit. Parking zones are not enforced after 4 PM. Please note, standard traffic regulations such as no parking in handicapped, service and timed parking spots are enforced 24/7.

• All permits are virtual and are connected to your license plate. When purchasing your initial permits, please bring the new employee permit form from your hiring manager.

• You have two parking options if here during the day. Option One - Daily Permits. Daily permits are $2 per day and can be purchased at umbc.nupark.com or at the Parking Services Offices. Daily packets are sold in packs of 5, 10, or 20.

• Currently, the only way to know how many permits you have is to contact Parking Services. You will receive an email when you run out of permits. Parking Services is working on an upgrade to the system so that you can see how many permits you have left online!

• Staff can use Visitor Parking for $2.00 per hour. Pay stations accept Visa, MasterCard, and/or currency. Pay machines do not give change/refunds.

• Purchase a faculty parking permit for $280/year (prorated throughout year). This is not cost efficient if you are on campus less than three days per week.
